

**GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE,
BANGALORE.**

Notice No. 397—S. P. C., dated 21st January 1924.

Sealed tenders will be received in the office of the undersigned for the supply of galvanized iron pipes, etc., noted in the subjoined statement required for the Krishnarajasagara Works. The approximate quantity and description of the articles required are given in the statement and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which the materials will be supplied, which should include also the cost of delivery at Belagola Railway Station, Mysore Railways. *The tenders should reach this office on or before 12 noon on the 7th February 1924, and be superscribed "Tenders for the supply of galvanized iron pipes for the Krishnarajasagara Works."* Earnest money of Rs 100 (which should be only by means of cheques on Imperial or Mysore Banks) as well as samples should accompany the tender, without which the tender will not be considered.

2. The rates given in the tender should hold good for fifteen days from the date fixed for opening the tenders. The whole of the quantity of the material should be supplied within fifteen days from the date the acceptance of the tender is communicated to the tenderer.

3. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted against the article in column 4 and to execute an agreement for the due fulfilment of the contract within eight days of the intimation of acceptance of the tender. The earnest money on rejected tenders will be returned.

5. In case of dispute as to whether the supply of material is similar to that of sample deposited by the firm, the decision of the Stores Purchase Committee shall be final.

Statement showing the approximate quantity of articles required for the use of the Krishnarajasagara Works:—

Description of articles	Quantity required	Earnest money to be sent with tender	Security deposits to be lodged by the successful tenderer	Rate for free delivery on rail at Belagola Railway Station (Mysore Railways)	Other particulars
1	2	3	4	5	6
(1) Galvanized iron pipes of 1½ inches (internal diameter) with collars for water supply to masonry construction works.	5,000 feet	Rs 100	Rs. 1,000		Consignment to be booked to the address of the Executive Engineer, Dam Construction Division, Krishnarajasagara, Belagola Railway Station Mysore Railways.
(2) Bends for the above pipes	No. 12				

No 413—S. P. C., dated 22nd January 1924.

Sealed tenders will be received by the undersigned for the supply of the school equipment noted in the subjoined statement required for the Education Department. The approximate quantity and specification of the articles required are given in the statement and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which each of the articles will be supplied. The rate quoted should be inclusive of the cost of delivery at the place of destination given in column 7 of the statement.

Conditions.

The tenders should reach the undersigned before 12 noon on Friday the 15th February 1924 and should be superscribed "Tenders for the supply of School Equipment for the Education Department." The tender should be accompanied by earnest money of Rs. 100 which should be only by means of cheques on the Imperial or the Mysore Bank, without which the tender will not be considered.

2. The whole quantity of the articles should be delivered before the 10th of April 1924 to the officer noted in column 7 of the subjoined statement. Each article supplied under contract should bear the indelible stamp of the manufacturer's name or trade mark, if any, which should be mentioned in the tender.

3. Final acceptance of the tenderer will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The Stores Purchase Committee reserves to itself the right to accept in part or in whole the tenders received as also to divide the contract in such manner as the Committee may deem fit.

5. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted in column 6 and to execute an agreement for the due fulfilment of the contract for the supply required, within eight days of the intimation of acceptance of the tender and in default his tender will be cancelled and his earnest money forfeited. The earnest money on rejected tenders will be returned.

6. The agreement will state that a guarantee of soundness of each article supplied will be given by the contractor concerned for a period of one year after the delivery of the article and that the contractor undertakes to make good all losses and damages that may be caused by the use of bad material or owing to bad workmanship within such period. The contractor's earnest money of Rs. 100 will be held against him for this period.

7. The contract shall not be sublet.

8. The contract will also state that in the event of failure to deliver the articles before the 10th of April 1924, the security deposit of the contractor will be forfeited and that a sum not exceeding Rs. 10 a day will be levied from the contractor for every day of delay in delivery after the 10th of April 1924 as and by way of liquidated damages.

9. In all matters of dispute relating to the quality and soundness of the articles supplied, the decision of the Stores Purchase Committee shall be final.

Statement showing the approximate quantity of articles required for the use of
the Education Department.

Notice No. 408—S.P.C., dated 22nd January 1924.

Sealed tenders for the supply of good and cleaned grains for the Mysore Horse, Mysore, required for one year at Mysore, will be received by the Secretary, Stores Purchase Committee, Public Offices, Bangalore, up to 12 noon on Monday the 11th February 1924. The contract will be for the period from the 1st of March 1924 to the end of February 1925.

Conditions:

1. The tender should be in the form given below, wherein are given the approximate quantity and description of the articles required, and should state clearly the rate at which the grain can be supplied at Mysore, throughout the year in column 3 of the statement left blank.

2. Every tender should be accompanied by an earnest money of Rs. 100 in the form of a cheque on the Imperial or Mysore Bank. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

3. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit a sum of Rs. 3,000 for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of the contract at the end of the period.

4. When the regiment leaves the headquarters for manœuvres or other duty, the contractor at the station will be required to supply in advance sufficient quantity of the grain needed at the contract rate until their return to headquarters.

The cart hire and other extra charges for the conveyance of the grain for any stage or stages should be borne by the contractor himself, if the number of animals leaving the station is not less than (6) six.

5. The Squadron Commander of each regiment will indent on the contractor for the quantity of the grain (cleaned as described above) required per day and the contractor should supply the quantity indented for (daily) at the Sowar Lines at Mysore and obtain receipts in token of the supply made.

N.B.—Should any necessity arise for feeding the animals of any regiment on any extra quantity of the above grains, the contractor should be prepared to supply such excess quantity of grain at the contract rate.

6. The contractor should present his bills once a month for supplies made by him during the month to the Commanding Officer at Mysore who will arrange for payment of the amounts due to the contractor.

7. No application from the contractor for any sort of concession whatever in consequence of the rise in the prices of the grains in the market due to scarcity, or other causes will be considered.

8. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure to supply the grains contracted for or by Government having to purchase the grains specified in the contract in the local markets at higher rates than those contracted for.

9. The Stores Purchase Committee reserve to themselves the right of finally accepting or rejecting any tender without assigning any reason therefor.

10. In all matters of dispute as regards the quality of the articles supplied, the decision of the Chief Commandant will be final.

Notice No. 409—S. P. C. dated 22nd January 1924.

Sealed tenders for the supply of good and cleaned grains for the horses of the *Government Stables at Bangalore and Mysore*, required for one year, will be received by the Secretary, Stores Purchase Committee, Public Offices, Bangalore, up to 12 noon on Monday the 11th February 1924. The contract will be for the period from the 1st of March 1924 to the end of February 1925.

Conditions.

1. One tender for each station may be given at the option of the tenderer, and the tender which should be in the form given below wherein are given the approximate quantity and the description of the articles required should state clearly the rate at which the grain can be supplied at Bangalore and Mysore, respectively, throughout the year in columns 3 and 5 of the statement left blank.

2. Every tender should be accompanied by an earnest money of Rs. 100 in the form of a cheque on the Imperial or Mysore Bank. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3, below or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

3. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit a sum of Rs. 1,000 for Bangalore and Rs. 500 for Mysore as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of the contract at the end of the period.

4. When the animals leave headquarters for manœuvres or other duty, the contractor at the station will be required to supply in advance sufficient quantity of the grain needed at the contract rate until they return to headquarters.

The cart hire and other extra charges for the conveyance of the grain for any stage or stages should be borne by the contractor himself, if the number of animals leaving the station is not less than (6) six.

5. The contractor should supply within one month from the date of acceptance of the contract, the quantity of kulthi sufficient to last for three months and the remaining quantity of the same and the required quantities of other articles according to indents of the officer appointed by the Chief Commandant and obtain receipts therefor.

6. Such officers as the Chief Commandant may appoint for the purpose will indent on the contractor for the quantity of the grain (cleaned as described above) required per day and the contractor should supply the quantity indented for (daily) at the appointed places at Bangalore and Mysore and obtain receipts in token of the supply made.

N. B.—Should any necessity arise for feeding the animals on any extra quantity of the above grains, the contractor should be prepared to supply such excess quantity of grain.

7. The contractor should present his bills once a month for supplies made by him during the month to the Officer in charge of Government Stables who will arrange for payments of the amount due to the contractor.

8. No application from the contractor for any sort of concession whatever in consequence of the rise in the prices of the grains in the market due to scarcity, or other causes will be considered.

9. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure to supply the grains contracted for or by Government having to purchase the grains specified in the contract in the local markets at higher rates than those contracted for.

10. The Stores Purchase Committee reserve to themselves the right of finally accepting or rejecting any tender without assigning any reason therefor.

11. In all matters of dispute as regards the quality of the articles supplied, the decision of the Chief Commandant shall be final.

Notice No. 412—S. P. C., dated 22nd January 1924.

Sealed tenders will be received by the undersigned for the supply of the furniture noted in the subjoined statement required for the Education Department. The approximate quantity and specification of the articles required are given in the statement and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which each of the articles will be supplied. The rate quoted should be inclusive of the cost of delivery at the place of destination given in column 7 of the statement.

Conditions.

The tenders should reach the undersigned before 12 noon on Friday the 15th February 1924 and should be superscribed "Tenders for the supply of furniture for the Education Department." The tender should be accompanied by earnest money of Rs. 100 which should be only by means of cheques on the Imperial or the Mysore Bank, without which the tender will not be considered.

2. Only Mysore teak, well seasoned, should be used in the manufacture of the articles. The whole quantity of the articles should be delivered before the 10th of April 1924 to the Officer noted in column 7 of the subjoined statement.

3. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The Stores Purchase Committee reserves to itself the right to accept in part or in whole the tenders received as also to divide the contract in such manner as the Committee may deem fit.

5. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted in column 6 and to execute an agreement for the due fulfilment of the contract, within eight days of the intimation of acceptance of the tender and in default his tender will be cancelled and his earnest money forfeited.

6. The agreement will state that a guarantee of soundness of each article supplied will be given by the contractor concerned for a period of one year after the delivery of the article and that the contractor undertakes to make good all losses and damages that may be caused by the use of bad material or owing to bad workmanship within such period. The contractor's earnest money of Rs. 100 will be held against him for this period.

7. The contract shall not be sublet.

8. The contract will also state that in the event of failure to deliver the articles before the 10th of April 1924, the security deposit of the contractor will be forfeited and that a sum not exceeding Rs. 10 a day will be levied from the contractor for every day of delay in delivery after the 10th of April 1924 as and by way of liquidated damages.

9. In all matters of dispute relating to the quality and soundness of the articles supplied, the decision of the Stores Purchase Committee shall be final.

Notice No. 410—S. P. C., dated 22nd January 1924.

Sealed tenders for the supply of good and cleaned grains for the horses, ponies and mules of the *Mysore Transport Corps*, required for one year, at *Bangalore and Mysore*, will be received by the Secretary, Store Purchase Committee, Public Offices, Bangalore, up to 12 noon on Monday the 11th February 1924. The contract will be for the period from the 1st of March 1924 to the end of February 1925.

Conditions.

1. One tender for each station whether for kulthi or chenna should be given at the option of the tenderer, and the tender which should be in the form given below, wherein are given the approximate quantity and the description of the articles required, should state clearly the rate at which the grain can be supplied at Bangalore and Mysore, respectively, throughout the year in columns 3 and 5 of the statement.

2. Every tender should be accompanied by an earnest money of Rs. 100 in the form of a cheque on the Imperial or Mysore Bank. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

3. The successful tenderer will be required to execute an agreement within one week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit a sum of Rs. 8,000 for Bangalore and Rs. 5,000 for Mysore as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of the contract.

4. When horses, ponies or mules leave headquarters for manœuvres or other duty, the contractor at the station will be required to supply in advance sufficient quantity of the grain needed at the contract rate until their return to headquarters.

The cart hire and other extra charges for the conveyance of the grain for any stage or stages should be borne by the contractor himself, if the number of animals leaving the station is not less than (6) six.

5. The contractor should supply within one month from the date of acceptance of the contract, the quantity of kulthi sufficient to last for three months and the remaining quantity of the same and the required quantities of other articles according to indents of the officer appointed by the Chief Commandant and obtain receipts therefor.

6. Such officers as the Chief Commandant may appoint for the purpose will indent on the contractor for the quantity of the grain (cleaned as described above) required per day and the contractor should supply the quantity indented for (daily) at the Sower Lines at Bangalore and Mysore respectively and obtain receipts in token of the supply made.

N. B.—Should any necessity arise for feeding the animals of any regiment on any extra quantity of the above grains, the contractor should be prepared to supply such excess quantity of grain at the contract rate.

7. The contractor should present his bills once a month for supplies made by him during the month to the Commanding Officer at any station who will arrange for payments of the amount due to the contractor.

8. No application from the contractor for any sort of concession whatever in consequence of the rise in the prices of the grains in the market due to scarcity, or other causes, will be considered.

9. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure to supply the grains contracted for or by Government having to purchase the grains specified in the contract in the local markets at higher rates than those contracted for.

10. The Stores Purchase Committee reserve to themselves the right of finally accepting or rejecting any tender without assigning any reason therefor.

11. In all matters of dispute as regards the quality of the articles supplied, the decision of the Chief Commandant will be final.

Notice No. 414—S.P. C. dated 22nd January 1924.

Sealed tenders will be received by the undersigned for the supply of *globes, maps and charts*, in the subjoined statement required for the Education Department. The approximate quantity and specification of the articles required are given in the statement and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which each of the articles will be supplied. The rate quoted should be inclusive of the cost of delivery at the place of destination given in column 7 of the statement.

Conditions.

The tenders should reach the undersigned before 12 noon on Friday the 15th February 1924 and should be superscribed "Tenders for the supply of Globes, Maps and Charts for the Education Department." The tender should be accompanied by an earnest money of Rs. 100 which should be only by means of cheques on the Imperial or the Mysore Bank, without which the tender will not be considered.

2. The whole quantity of the articles should be delivered before the 10th of April 1924 to the officer noted in column 7 of the subjoined statement. Each article supplied under the contract should bear the indelible stamp of the manufacturer's name or trade mark, if any, which should be mentioned in the tender.

3. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The Stores Purchase Committee reserves to itself the right to accept in part or in whole the tenders received as also to divide the contract in such manner as the Committee may deem fit.

5. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted in column 6 and to execute an agreement for the due fulfilment of the contract for the supply required, within eight days of the intimation of acceptance of the tender and in default his tender will be cancelled and his earnest money forfeited.

6. The agreement will state that a guarantee of soundness of each article supplied will be given by the contractor concerned for a period of one year after the delivery of the article and that the contractor undertakes to make good all losses and damages that may be caused by the use of bad material or owing to bad workmanship within such period. The contractor's earnest money of Rs. 100 will be held against him for this period.

7. The contract shall not be sublet.

8. The contract will also state that in the event of failure to deliver the articles before the 10th of April 1924, the security deposit of the contractor will be forfeited and that a sum not exceeding Rs. 10 a day will be levied from the contractor for every day of delay in delivery after the 10th of April 1924 as and by way of liquidated damages.

9. In all matters of dispute relating to the quality and soundness of the articles supplied, the decision of the Stores Purchase Committee shall be final.

Statement showing the approximate quantity of articles required for the use of the Education Department.
